'Bharat Samman' | An Esteemed Gathering of India's Brightest!

A profound change in the society stems from those who channel their passion into purpose and commit to making an impact through their extraordinary contributions. **Bharat Samman** is a quest to unearth hidden gems, individuals who have been relentlessly working for the betterment of our country. From corridors of power to grassroots level, from frontiers of science to the heart of social change, these change-makers have propelled India's progress in diverse domains commendably.

Every year, **Global Excellence Forum** organises this event to recognize people advocating for progressive and positive change. We bring together all such individuals from fields like academics, healthcare, defence, science, philanthropy, social work, administrative, art and culture, literature, technology, sports and many more to celebrate their unwavering dedication and inspire others to follow their path of excellence.

Our Mission Statement

Our mission is to shine a spotlight on the brilliance of Indian minds and their transformative efforts, fostering a culture of visionary leadership, achievement and selfless service.

We also aim to promote the significance and awareness of human rights, social responsibility, gender equality, environmental sustainability, inclusive growth and innovation through meaningful dialogue from our platform.

Date : 15th June, 2025

**Venue : Le Meridien, Connaught Place,
New Delhi**

Our Vision Statement

We envision to evolve as one of the biggest initiatives that celebrates every single effort towards the betterment of existence. Our aspiration is to create a unified platform where excellence is recognized, endeavours are honoured and stories of transformative contributions are shared to inspire others.

Note: All Nominations are kept confidential.

Our Goals and Objectives

Global Excellence Forum adheres to a well-defined framework of goals and objectives provides focus and direction, communicates the event's purpose, sets expectations, measures success, attracts stakeholders, ensures clarity of purpose, establishes measurable outcomes and optimises resource allocation.

- To recognize sustained leadership of individuals which has driven significant advancements in diverse fields.
- To encourage women achievers for their distinguished milestones in fields like entrepreneurship, innovation, scientific research, education, social development, healthcare, social development, etc., thereby, creating tangible solutions and driving measurable progress.
- To publicly acknowledge initiatives, organisations and people that have contributed to the cause of philanthropy.
- To inspire others embrace the spirit of service and contribute to the betterment of society by showcasing successful examples and bringing positive change.

- To reward meritorious students for their unwavering academic achievements and brilliance in specific subjects.
- To honour remarkable academicians who have exemplified as role models by shaping the future of education, driving ground-breaking research and nurturing the next-generation visionary leaders.
- To promote art and culture by rewarding artists from all spectrums for their aesthetic endeavours which deserve global recognition.
- To congratulate those who have made pioneering advancements in the fields of technology and digital innovation.
- To emphasize the impact of inclusivity, equality and societal upliftment to address the pressing challenges.
- To educate the public about the power of individual as well as collective action in shaping a better future, highlighting the diverse talents driving India's global prominence.

भारत Samman 2025
Honoring Contributions

Greetings from the Founder

Global Excellence Forum

Mr. Jitendra Kumar @Ravi

Founder/President
Global Excellence Forum

"The Bharat Samman 2025, it's my greatest pleasure to greet you all and extend a warm welcome to this momentous celebration of impact and excellence. From day one, this initiative was envisioned to bring deserving individuals from diverse fields to the forefront, showcasing their contributions that make a difference not only in the grassroots level but also to the national and global community. It's our tribute to their ingenuity, resilience and achievement which inspires others to strive for greatness. The present day demands adapting to the changing tides, societal shifts and emerging opportunities. It is through recognizing and embracing such adaptability that we can drive meaningful progress and innovation in the country. Our Bharat Samman aim to highlight these qualities in individuals, organisations and companies whose accomplishments and vision have already left a lasting impact. Rooted in the principals of goodwill and selflessness, our endeavours consistently strive to showcase the transformative power of giving. By celebrating such deeds, we not only honour their efforts but also encourage a culture of excellence, perseverance and forward-thinking. Come; let us all join hands and pledge for a brighter and more inclusive future."

Greetings from the Co-Founder

Global Excellence Forum

Greetings to all!

Dr. Naeem Tirmizi

National Chairman

With immense pride and enthusiasm, extend my heartfelt congratulations to the awardees, organizing committee and everyone associated with the prestigious Bharat Samman-2025. This event serves as a beacon of inspiration, acknowledging the exceptional contributions of people who have left an indelible mark on our society.

In times like these when the world encounters unprecedented challenges, celebrating the accomplishments and resilience of our fellow countrymen becomes even more significant. Bharat Samman-2025 reminds us of the heights humanity can reach through passion, dedication and unwavering commitments. I believe that GEF's endeavours will continue to make a positive impact and inspire generations to come, spurring them on to bring about the world at large. Wishing this event becomes the guiding light towards a brighter future!

Honorable Management Committee

Making this event a testament to the power of excellence and the limitless potential of human achievement. Their success serves as a beacon of hope and inspiration for generations to strive for greatness.

About Global Excellence Forum

Global Excellence Forum is a public charitable trust, registered under the Government of India. Founded on January 2, 2023, the organisation is headed by a distinguished board of directors, each with extensive experience in their respective fields. With a strong network of associates, collaborators, volunteers and supporters, the organisation has spread its wings across various sectors to identify and nurture talent, acknowledge success and drive social change.

Additionally, we work to uplift underserved communities, promote sustainable development and empower people to become catalysts for positive change through strategic partnerships and community-driven projects. The forum extends extensive support to start-ups as well as established businesses in areas like advertising campaigns, marketing strategies, conducting workshops and exhibitions, etc. Global Excellence Forum serves as a leading influence committed to advocating human rights, improving societal well-being, and advancing education and awareness through impactful research and knowledge dissemination.
